## The Weekly Floyd Light Community Newsletter

VISION: Content, self-motivated students who take initiative for success.

MISSION: Providing a safe, engaging, supportive, and rigorous learning environment.

*Environment ~ Engagement ~ Equity Relate ~ Respond ~ Restore*

### Information

- **Teacher Appreciation Week!** This is Teacher Appreciation week. If you would like, please reach out to our teachers! They are truly appreciated!
- **David Douglas Bus Information:** The David Douglas School District is rolling out a new program for school bus riders. Beginning with the 2022-2023 school year, all eligible riders will be required to register to ride the bus and must carry a badge. The program is currently being rolled out a few schools at a time, this winter and spring. District bus drivers will issue ZPass badges along with lanyards and backpack straps to students currently riding a district school bus.

This program is designed to enhance bus rider safety by giving the Transportation Department and parents the ability to track when and where each student gets on and off a district school bus. The District has partnered with a company called Zonar to provide the badges. Students must carry their badge, a ZPass, with them to ride the school bus. The ZPass will be scanned as students enter and exit the bus, recording the card number, location and time. Only select district staff and parents will have access to this information. Parents can view ridership information by using ZPass+, a ridership alerts app from Zonar. View details about the Bus Pass Program under the Transportation section of the DDSD website: [www.ddouglas.k12.or.us/departments/transportation-information/](http://www.ddouglas.k12.or.us/departments/transportation-information/)

- **8<sup>th</sup> Graders High School Visit:** Just an FYI - our 8<sup>th</sup> graders will have a presentation and will tour David Douglas High School on Monday, May 9<sup>th</sup>. NOTE: the high school has a no hat/no hood policy. Our 8<sup>th</sup> graders will not be allowed to wear hats/hoods on the High School visit.
